## **"Popular Radio Personality"**

Teresa Tomeo is a veteran broadcast-journalist with more than 20 years of experience as a radio and TV news reporter and anchor woman mainly in the Detroit area. Teresa first served as an award winning radio reporter and radio news anchor receiving recognition for her work from the Associated Press, The Detroit Press Club, and the American Women in Radio and TV. After making the move to TV news in 1988, Teresa worked as a reporter/anchor for WKBD-TV 50, covering the streets of Detroit live five nights a week. She then reported for the ABC affiliate, WXYZ-TV Channel 7. Despite her success and recognition, Teresa began to become disillusioned and disappointed by the trends in the media toward sensationalism, violence, and liberal bias. Six years ago Teresa decided to leave the secular media to help families and other concerned citizens engage the culture.
