A Life Issues special: The Faces of Roe

"The Faces of Roe" pulls back the curtain on so-called "choice" and shares the personal, tragic stories of those victimized by the abortion industry. Their voices speak against the lie that abortion is healthcare and reveal the devastating realities of abortion. It's time to end the killing of innocent lives. It's time to stand up for women and their unborn babies. It's time to end abortion. (Hosted by Life Issues Institute's Brad Mattes)
